

The Weapons of Star Trek

A Few Old Favorites

Phaser (tos)
The classic phaser pistol incorporating a type 2 phaser that Captain Kirk is shown firing in the central image.

Ferengi Energy Whip
Preposterous Ferengi weapon that looks and handles like a bullwhip and shoots a phaser-like energy pulse.

Phaser (tng)
The innovative tng-era type 2 hand phaser had 16 settings and was shaped like a bulky remote control.

Bat'leth
Traditional Klingon blade weapon said to have been created by the Klingon messiah figure Kahless.

Klingon Disruptor
Familiar standard issue hand-held, directed-energy weapon of the Klingon Empire.

Lirpa
Vulcan weapon consisting of a staff with a semicircular blade at one end and a metal bludgeon on the other.

Romulan Disruptor
Ditto for the Romulan Star Empire.

Varon-T Disruptor
Rare type of disruptor banned by the Federation because of its slow, excruciating method of killing.
